Adopt-A-Stream Bacterial Monitoring Workshop

Outdoor Leadership Center at
Young Harris College

Tuesday, August 7th

4:00-7:00 pm

There is no cost, but registration is required.

Contact us at: (828) 837-5414 or

admin@hrwc.net

This workshop is designed primarily for AAS volunteers who have already been certified in Chemistry sampling. Please contact HRWC AAS Coordinator, Raleigh Keagan if you would like to join our team as a new volunteer and we'll add you to the interest list to be notified for the next Chemistry workshop!
